

PASMUN 2021 Coronavirus Protocols

As we prepare to host PASMUN, we wish to assure all attendees that every precaution is being taken to protect the health and well-being of all participants. Therefore, we will be following these protocols:

1. All participants are required to fill out and submit a **health check form** on February 17th.
2. All participants will have their **temperature checked** at the campus door each day. In the event of a fever (38° C and up), the participant will be asked to return home. In the unlikely event of a severe fever, the affected participant will be referred to the hospital next door to school. If participants feel ill, we encourage them to stay home and participate through the online option.
3. Participants will be asked to bring a photo ID for registration. Badges will be the pass for delegates when returning to the conference on the second day. For security reasons, delegates are required to wear their badges at all times while on campus.
4. The **wearing of masks** will be mandatory at all times for all participants. Delegates are only allowed to take off their masks when they are speaking at the podium.
5. The campus will be cleaned and disinfected daily.
6. Alcohol wash will be provided for all venues.
7. At no time should students be in a large group exceeding government guidelines:
 - a. Students will participate for the entire conference in committee rooms, with **groups no larger than 40 in a room**. Opening ceremonies will be streamed live digitally into each room, as will closing ceremonies at the end.
 - b. Lunch will be served in the cafeteria. Lunch breaks will be staggered, with a total of three shifts. Meals will be individually packaged, and at most three participants will be seated at each table with dividers. While queuing for lunch, participants should maintain a distance of at least 2 meters apart from each other.
8. The Social Night **has been cancelled** to avoid a large group gathering.

Very best regards, and we look forward to seeing you at PASMUN!
